

Need to report a personal data breach?

Call the breach reporting team: 0303 123 1113.

Our self assessment tool will help you decide
if you need to **report the breach.**

ico.org.uk/pdb

What you need to tell us

- Details about what happened.
- When it happened and when you discovered it.
- How it happened.
- Measures in place that could have stopped it.
- How many people could be affected.
- The actual or potential detriment to people.
- Measures taken to help people affected.
- How can you stop similar breaches in future?
